Hi Dan,
I could jump on the phone in the morning but will be at our other campus so couldn't meet in person. This time of year is nuts for schools so not sure Ginnia's availability but I do know there's interest in having you come and inviting Larchmont parents from this campus and our elementary campuses (at Melrose and Vine and in Weho - both feed to our Selma

campus).

Amy and Ginnia,

I hope you're well! Amy, great talking to you on Tuesday, and Ginnia, great meeting you -- I'm so glad you were able to come. We were very pleased with the turnout and the overall response. Councilmember O'Farrell even got to speak with several LCS folks himself.

I want to follow up with you both regarding ways we can continue the conversation, answer questions, and clear up some misconceptions regarding the proposal for the temporary bridge housing facility on Schrader.

I'll be in Hollywood **tomorrow (Friday 5/11)**, around the corner from the Selma Ave campus. Do you have some time at 10:15 AM to sit down and chat? I'd like to discuss setting up a follow-up meeting/discussion with the LCS community.

Best,

Dan Halden

Re: following up - Larchmont Charter School

The mission of Larchmont Charter School is to provide a socio-economically, culturally and racially diverse community of students with an exceptional public education.

With participation from our entire community, we strive to instill in each student a dedication to improving the world we inhabit.
